Experience and Internships

Lake Land College Graphic Design/Printshop Internship

January - May 2026
Marcy Satterwhite, Graphic Design Program Coordinator
Created a variety of graphic design materials using Adobe Photoshop, Illustrator, InDesign, Dreamweaver and Acrobat as well as Microsoft Word, Excel, PowerPoint, and Publisher. Worked directly with the College printshop to see the materials through from electronic design, on both Windows and Mac platforms, to the final printed version on a variety of different print materials in the College printshop.

Wave Graphics/Screen Print Internship

January - May 2026
Laura Roberts, HS Graphic Design Program Coordinator
This internship offers hands-on experience in the design, creation, and execution of screen-printing processes. Students have the opportunity to work closely with experienced designers and printers, gaining valuable skills in the artistic and technical aspects of screen printing.

Walmart Stocker

November 2023 - March 2027
